Job Description

The Department of Psychiatry at the University of Kentucky College of Medicine is seeking a residency-trained, board certified/board eligible Assistant or Associate Professor or Professor. The successful candidate must be committed to excellence in clinical care as well as teaching, administration, and professional development. Preferred experience includes previous experience in providing psychiatric and addiction medicine services to adults, as well as experience in teaching medical students, residents, and other health professionals.

This position will be instrumental to providing ambulatory and inpatient psychiatric services to adults. This position will primarily provide ambulatory psychiatric care and substance use treatment services and will participate in on-call coverage of our Behavioral Health Unit and related inpatient services. This position may also serve as the Director of Substance Use Services for the Department of Psychiatry and may serve as a member of the department's leadership team. This Director role is

responsible for working with ambulatory clinic leadership to manage the daily operations of the SMART Clinic and to provide guidance and leadership in the provision of substance use treatment services within the Department of Psychiatry.

Our Adult Psychiatry and Behavioral Health programs offer an array of specialized programs including: Adult Affective Disorders Clinic, Psychopharmacology, Anxiety Disorders, Attention Deficit Hyperactivity Disorder Clinic and Supportive Medication Assisted Recovery and Treatment Program (SMART). In addition to our inpatient behavioral health program, we offer outpatient services at our Fountain Court location in Lexington, KY.

The Department of Psychiatry is comprised of a team of highly skilled clinicians and staff working together to create a Culture of Health. A Culture of Health is based on the premise that “everyone has the opportunity to live a healthier life” and that as a community “we must work together to ensure that everyone has the opportunity to make healthy choices.” *Robert Wood Johnson Foundation* The Department of Psychiatry is using this framework to harness the power of academic medicine to deliver cutting-edge clinical services with the expertise derived from robust community engagement to provide a platform for educating and training the future leaders of psychiatry. Our work is only as good as the impact we make on the community we live in. The Department of Psychiatry at the University of Kentucky College of Medicine strives to provide the highest level of patient care, innovative educational programs, active research in mental illness and advocacy throughout the state of Kentucky and beyond. These pursuits have helped the department win the American College of Psychiatrists’ Award for Creativity in Psychiatric Education not once, but twice.

The Department employs physicians, psychologists, therapists and other mental health professionals to provide a wide variety of behavioral health and substance use treatment services at multiple locations. Our clinicians provide care at our UK Psychiatric & Behavioral Health Care Clinic at Fountain Court - Lexington, KY, Albert B. Chandler Hospital - Lexington, KY, Good Samaritan Hospital - Lexington, KY, Eastern State Hospital - Lexington, KY as well as various other clinics and departments throughout the UK HealthCare system and outside organizations throughout Kentucky. Our team of researchers are working to advance the understanding of behavioral health and how behavioral health conditions are managed and treated. Our department has five ACGME-certified residency training programs which focus on training more than 50 physicians each year to become the future leaders in psychiatry.

The Department of Psychiatry’s administrative, education and research offices are located near the Hamburg area of Lexington at 245 Fountain Ct., Lexington, KY, 40509. This off-campus location provides free onsite parking for employees and patients as well as a primary care/urgent care clinic and retail pharmacy that is accessible for both patients and employees.

Forbes magazine announced in February 2023 that it ranked the University of Kentucky sixth out of 500 total companies on its America's Best Large Employers list. UK is listed second nationally in the education category. The University of Kentucky provides a comprehensive benefits package including health, dental, and insurance benefits, a competitive 2:1 retirement match up to 5% of an employee's base salary, discounts to local, regional and national businesses, paid vacation and temporary disability leave (sick time) and 14 paid holidays each year. For additional information on University of Kentucky's benefits, please visit <https://hr.uky.edu/insurance-and-retirement>.

If you are interested in joining our team to help transform the behavioral health system of care in the Lexington area and throughout Kentucky, please consider applying for this position.

To be considered an applicant for the position, please submit a CV and cover letter along with application. Please also include the names and contact information for three references when prompted in the application. This information may be used to solicit reference letters within the employment system.

Applications will be reviewed immediately and will continue until the position is filled.
