Job Description

Old Dominion University (ODU) invites applications for a Clinical Assistant Professor faculty position in the **Medical Laboratory Science Program** of the School of Medical Diagnostic & Translational Sciences beginning July 25, 2024. The School is housed in the College of Health Sciences and includes undergraduate programs in medical laboratory science, cytotechnology and nuclear medicine technology as well as postgraduate certificate programs in molecular diagnostics and cytotechnology. The School's faculty participate in Graduate Programs in Biomedical Sciences, Health Services Research, and Biomedical Engineering, and have set up and operate a high complexity CLIA-certified Molecular Diagnostics Laboratory.
