**Job Description**

The University of Kentucky College of Medicine is seeking outstanding candidates for a position of Instructor, Assistant, or Associate Professor in the Department of Radiation Medicine. The Department of Radiation Medicine is a vital part of UK Markey Cancer Center, an NCI-designated Cancer Center. The department has vibrant clinical practice with outstanding technology, facilities, and medical physics support as well as active transitional and clinical research programs, within the context of a vibrant and robust healthcare enterprise. Fully accredited and well regarded residency programs in radiation oncology and medical physics, as well as Masters and PhD programs in Medical Physics, are integral to the department's mission and culture.

Currently the department provides the entire range of radiation oncology services, including IMRT,
