The overall job description below outlines the main areas of responsibilities of the Employee:

- Oversee and ensure all activities in the medicine faculty functioning smoothly according to the national curriculum, policies and guidelines of the FHS at the UP.
- Build the capacity of the academic and non-academic staff within the Faculty of Medicine through promoting educational opportunities, leadership and support;
- Oversee the provision of education of students in the Faculty of Medicine in accordance with:
 - Government regulations and accreditation standards required by the relevant state institutions
 - Vision, mission, core values, and policies of the University of Puthisastra
 - International trends and best practices;
- Work closely with all staff of Medicine Faculty and lecturers to produce standard course outlines for all courses and ensure the quality of those courses, i.e. course content based on current standard textbooks and journals, and courses which are well linked from one to another;
- Work with the Vice Dean of FHS, VP for Academic Affairs, and HR Department to recruit quality lecturers and tutors, evaluate their teaching performance, and arrange necessary training to build up their capacity;
- Work with the Vice Dean of FHS and other relevant Faculties to provide sufficient supporting educational resources, eg laboratory, library,...etc., and help provide supporting programs such as clubs, community activities etc. for the students;
- Build up academic relationships and cooperate with external institutions (local and international) to improve the university and facilitate students participation in workshops, conferences, exchanges, field trips etc, and link students to the potential labor market;
- Create a good working environment within the Faculty;
- Lead the Medicine Faculty staff to prepare action plan and budget plan
- Oversee the organization of the timetables, and liaise with lecturers and tutors;
- Lead the research program for the Faculty of Medicine
- Manage the development of the new TP laboratories, including design, equipment, personnel, protocols, etc.

III. Minimum Qualifications and Requirements:

1. Experience:

- At least 5 years teaching and administration experience in a university

2. Education:

- Doctor in Medicine, Msc/MPH, Doctor of Specialized medicine or PhD
