Job Description

The Department of Internal Medicine at the University of Kentucky seeks a leader in Electrophysiology to serve in the role of Section Chief. This position will have regular assignments in the faculty rotation to cover electrophysiology consult services at the University of Kentucky. In addition, ambulatory assignments will be aimed to establish a practice encompassing patients with arrhythmias and other heart rhythm disorders and this position will be involved in non-invasive and invasive testing in this patient population. This position will be the tripartite mission leader of the electrophysiology section.

Please include a CV when applying for this position. Applications will be reviewed immediately and continue until the position is filled.
