Job Description

The University of Kentucky College of Medicine is seeking an Assistant, Associate, or Professor in Neurology who will provide care for patients with neurological illnesses.

This position will also provide supervision for residents and medical students in all clinical settings (inpatient and outpatient). The Assistant Professor will also participate in clinical research and other administrative activities as approved by the Chair, and serve on appropriate Department, College, Hospital, or University committees.

Please include a CV when applying for the position. Applications will be reviewed immediately and continue until the position is filled.
