Job Description

The University of Kentucky College of Medicine is seeking an Assistant, Associate or Professor in Pediatric Psychology .This Special Title Series position is needed in order to maintain and expand the current activity of clinical services in the Department of Pediatrics, Division of Psychology. This position will primarily provide clinical psychological services to pediatric patients with a variety of medical conditions and their families. This position will allocate time for clinical research and teaching in pediatric psychology. This position will also provide faculty resources to sustain and expand teaching, advising and other instructional activities for the Pediatric Residency programs and the College of Medicine medical students. This position will be housed in the Division of Psychology for the Department of Pediatrics and will be appointed in the Special Title Series, Tenure track.
