The Department of Medicine, [Division of Gastroenterology, Hepatology and Nutrition](#), Jacobs School of Medicine and Biomedical Sciences, University at Buffalo (UB), seeks qualified clinical educators for full-time positions based at ambulatory sites and major affiliated teaching hospitals. Qualified candidates will be appointed at the Clinical Assistant or Associate Professor level.

Overall duties include:

- Serving as attending physician for inpatient and ambulatory services
- Consultation and follow-up of patients
- Teaching students
- Training residents, and
- Supervision of fellows.

Participation in clinical and/or translational research is encouraged.

This is an opportunity to join an organization focused on the future of medicine-one whose physicians and advanced practitioners' partner with their patients to ensure a higher state of care and better outcomes. At Department of Medicine, you will experience a deeper sense of compassion, greater breadth of diversity and a never-ending desire to raise the standard of medical excellence, regionally and nationally.
