Job Description

The Division of Hematology and Blood & Marrow Transplantation at the University of Kentucky College of Medicine Markey Cancer Center is currently seeking an academically focused clinician to join as an Assistant Associate or Professor for clinical services. In our Division of Hematology & BMT, our mission is to reduce cancer deaths through innovative research, dedicated patient care, and education. We provide access to highly specialized, comprehensive and personalized care, state of the art research and clinical trials. The University of Kentucky offers excellent and comprehensive compensation based on rank and experiences plus outstanding benefits packages.

The University of Kentucky Medical Center is a premier research institution in the Commonwealth serving a wide geographic area, treating patients from throughout Kentucky, Tennessee, West Virginia,

and beyond, providing the opportunity for large practice growth with the Markey Cancer Center being the only NCI-designated Cancer Center in Kentucky. The UK Markey Cancer Center for a seventh straight year earned a national ranking from the U.S. News & World Report Best Hospitals. For the eighth year in a row, UK HealthCare was ranked the No. 1 hospital in Kentucky

Applicants should include a current CV. Applications will be reviewed immediately and continue until the position is filled.
