Job Description

The Department of Ophthalmology & Visual Sciences at the University of Kentucky College of Medicine, is seeing a Surgical Retina physician to meet the medical and academic needs of the department. The successful candidate will join a group of physicians that are committed to excellence in clinical care, instruction, scholarly activity and professional development in a robust and growing practice across eastern and southeastern Kentucky.

The primary responsibility of the individual in this position will be to enhance the clinical practice of the Department of Ophthalmology as part of the Surgical Retina Team. This person will be responsible for providing direct patient care, service as an attending physician, training fellows, residents and medical students assigned to the Ophthalmology Department. The individual in this position is expected to provide, develop and maintain clinical services as well as develop academic pursuits.

Please include an updated CV when applying to this position. Applications will be reviewed
