Job Description

The Department of Internal Medicine, Division of Cardiovascular Medicine at the University of Kentucky College of Medicine is seeking an Instructor for an Advanced Cardiac Imaging fellowship training program. This is a one year non-ACGME fellowship. Duties include, but are not limited to: training that concentrates on cardiac MRI and Cardiac CTA to help you attain level 3 in both modalities. The fellow will review other cardiac imaging modalities including echo and nuclear studies.

This position also provides opportunities for professional development, including attending continuing education meetings, workshops, lectures, and other activities such as educational and professional activities of medical societies and participation in CME activities as a learner.
