Job Description

The University of Kentucky College of Medicine, Division of Vascular and Endovascular Surgery is seeking a provider dedicated to the treatment of all aspects of vascular disease for Kentucky and surrounding areas. Vascular and Endovascular Surgery provides the full spectrum of diagnostic, endovascular, and vascular surgical procedures including: non-invasive vascular laboratory testing, modern 3D vascular imaging techniques, and aortic aneurysms. Specific clinical areas to be addressed with this position are patient care responsibilities and increased patient care volume in Vascular Surgery.

To apply, please include a CV along with application. Applications will be reviewed immediately and continue until the position is filled.
