### Position Summary

The [Department of Emergency Medicine](#) within The [Jacobs School of Medicine and Biomedical Sciences](#) in the University at Buffalo is in need of a PhD to join the faculty. The candidate will be required to identify and pursue sources of ongoing funding for Emergency Medicine.

We have a diverse group that includes many academically accomplished faculty that draw their experience from 8 Western New York hospitals providing an excellent base of patients for potential studies and many potential research partners within our local EMS community. The ability to work with multi-faceted Emergency Medicine faculty and work as a mentor to our 48 residents is required.

*Learn more:*

- Being a part of the [University at Buffalo community](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

### Minimum Qualifications

- PhD in a related field - medical, health science, public health, etc.
- Experience in academic research; with academic achievement and productivity as evidenced by the combination of scholarships, publications, and grant funding

### Is a background check required for this posting?

No
