Posting Detail Information

Position Summary

The Department of Pediatrics, University at Buffalo (UB), Jacobs School of Medicine and Biomedical Sciences and Oishei Childrens Hospital, Division of Pediatric Hospital Medicine is actively recruiting for a full-time BC/BE Pediatric Hospitalist.

This candidate will provide inpatient care for pediatric patients at Oishei Childrens Hospital. They will also share in coverage of the affiliated Pediatric Long Term Care facility at HighPointe on Michigan. After-hours call is shared with other faculty members, and taken from home with on-site PICU backup.

Faculty duties include education, oversight and instruction of pediatric residents and medical students from Jacobs School of Medicine and Biomedical Sciences.

Ideal candidates will have excellent clinical and teaching skills, as well as interest in research and quality improvement. The successful candidate will have a University faculty appointment. The position offers excellent benefits.

About the University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of Americas leading public research universities and the largest, most comprehensive institution in the 64-campus State University of New York (SUNY) system, and a member institution of the prestigious Association of American Universities (AAU). Over 30,000 undergraduate, masters and doctoral students are enrolled at UB across 13 colleges/schools. Visit our website to learn more about the University at Buffalo.

UBMD Pediatrics is one of 18 practice plans within UBMD Physicians Group, the single largest medical group in Western New York. We provide premier health care to infants, children, adolescents and adults. In addition to primary care pediatrics, we have 17 pediatric subspecialties. Our physicians make up the academic teaching faculty within the Department of Pediatrics at the Jacobs School of Medicine and Biomedical Sciences at the University of Buffalo and at Oishei Childrens Hospital. For more information regarding UBMD Pediatrics, please visit UBMD Pediatrics.

About the Buffalo/Niagara region

Buffalo is the second-largest city in New York State and is located in the western region on the shores of Lake Erie, upriver of the majestic Niagara Falls. Buffalo - the City of Good Neighbors - is a big city with a rapidly growing economy, vital academic health sciences center, outstanding public schools, and modest cost of living. Buffalo-Niagara, a region of 1.2 million people, is home to world-class art galleries and museums, a comprehensive city-wide system of parks and green space designed by renowned landscape architect Frederick Law Olmsted, a vibrant theater and music community, an abundance of restaurants for every palette, and major and minor league sports teams. Buffalo is home to iconic historical landmarks, diverse attractions, and hosts many annual cultural events. Buffalo is close to two significant wine growing regions-Niagara Escarpment and the Finger Lakes region. In addition, the Adirondack Mountains are half-a-days drive from Buffalo. Rich in natural resources and beauty, the Buffalo Niagara area is a four-season region that offers the best for seasonal sports enthusiasts. Due to its mild temperatures, low risk of natural disasters, abundant fresh water, and clean energy production, Buffalo is a great place to work, study and live - going from "Punchline to Lifeline".
