Job Type: Full-Time

Posting Detail Information

Position Summary

The Department of Pediatrics, University at Buffalo (UB), Jacobs School of Medicine and Biomedical Sciences and Oishei Childrens Hospital of Buffalo (OCH) is actively recruiting for a BC/BE, full-time, academic Child Abuse Physician in the Division of General Pediatrics.

Job duties include:

- The Child Abuse Physician will become the Medical Director of the Child Abuse Prevention Program within UBMD Pediatrics and will provide medical evaluations of suspected child abuse victims at the Child Advocacy Center (CAC).
- The physician will also provide child abuse consultations in Oishei Childrens Hospital (OCH). Care is provided in conjunction with academic teaching duties for medical students and residents from the Jacobs School of Medicine and Biomedical Sciences.
- Multidisciplinary team collaboration with the child abuse team at the CAC, the pediatric trauma team at OCH, and community agencies working to manage and prevent child abuse and neglect.
- The successful candidate will be granted a University appointment as a Clinical Assistant or Associate Professor.

UBMD Pediatrics is one of 18 practice plans within UBMD Physicians Group, the single largest medical group in Western New York. We provide premier health care to infants, children, adolescents and adults. In addition to primary care pediatrics, we have 17 pediatric subspecialties. Our physicians make up the academic teaching faculty within the Department of Pediatrics at the Jacobs School of Medicine and Biomedical Sciences at the University of Buffalo and at Oishei Childrens Hospital. For more information regarding UBMD Pediatrics, please visit UBMD Pediatrics.
