### Posting Detail Information

#### Position Summary

The Department of Orthopaedics at the University at Buffalo is recruiting a faculty member to join as a Clinical Assistant Professor. This well-regarded academic program offers complete care of all orthopaedic and musculoskeletal problems from kids to seniors. We are looking for dedicated physicians in the following specialties;

1. Joint Replacement & Reconstruction
2. Pediatrics
3. Trauma

Responsibilities and Duties will include:

- Provide patient care at UBMD Orthopaedic & Sports Medicine outpatient locations.
- Provide patient care through our local hospital affiliations and hospital clinics including Kaleida Health, Erie County Medical Center (ECMC), The Catholic Health System, Niagara Falls Memorial, Buffalo General Medical Center and Oishei Childrens Hospital.
- Provide leadership in training of residents and medical students and participate in departmental grand rounds and journal clubs.

This is a unique opportunity to join the largest Orthopaedic group in Western New York. Our board-certified and fellowship-trained physicians have experience and expertise to handle the entire spectrum of bone and joint problems, resulting in leading edge evaluation and treatment of our patients. To learn more, interested candidates may visit [www.ubortho.com](http://www.ubortho.com)

Competitive salary and generous benefit package offered.

Academically, the candidates will teach students, residents, and fellows. The department offers support for grant writing and collaborative research.

Required Qualifications;

Completed accredited Orthopaedic Residency and Fellowship.

#### About The University at Buffalo
