### Posting Detail Information

#### Position Summary

The [Department of Surgery](#) within the [Jacobs School of Medicine and Biomedical Sciences](#), State University of New York at Buffalo (UB), is seeking a highly qualified Trauma Critical Care Surgeon. This full-time position will be based at our major affiliated teaching hospitals, with an appointment at the **Clinical Assistant or Associate Professor** level.

The successful candidate will play a vital role in advancing trauma and critical care services and will demonstrate a commitment to excellence in patient-centered care. Overall duties include:

- Serving as attending physician for inpatient trauma and critical care services
- Providing consultation, treatment, and follow-up for trauma and critically ill patients
- Teaching and mentoring residents, fellows, and medical students
- Engaging in clinical and basic science research, as well as participating in clinical trials that promote advancements in trauma and critical care

*Learn more:*

- Our [benefits](#), where we prioritize your well-being and success to enhance every aspect of your life.
- Being a part of the [University at Buffalo community](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

#### Minimum Qualifications

MD or equivalent degree and be Board Certified or Board Eligible in Trauma/Critical Care Surgery. Fellowship training in Trauma/Critical Care

#### Salary Range

\$57,899
