Posting Detail Information

Position Summary

The [Department of Surgery](#) within the [Jacobs School of Medicine and Biomedical Sciences](#), State University of New York at Buffalo (UB), is seeking a highly qualified Breast Surgeon with a commitment to serving underrepresented and minority populations. This full-time position will be based at our major affiliated teaching hospitals, with an appointment at the Clinical Assistant or Associate Professor level.

The successful candidate will play a vital role in advancing equitable healthcare access and will demonstrate a passion for providing culturally sensitive, patient-centered care for diverse communities. Overall duties include:

- Serving as attending physician for inpatient breast surgery services
- Providing consultation, treatment, and follow-up for patients with a focus on addressing the unique healthcare needs of underserved populations
- Teaching and mentoring residents, fellows, and medical students with an emphasis on cultural competency and inclusivity
- Engaging in clinical and basic science research, as well as participating in clinical trials that promote advancements in breast surgery and health equity

Learn more:

- Being a part of the [University at Buffalo community](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

Minimum Qualifications

Candidates must have a MD, DO, or equivalent degree and be Board Certified or Board Eligible in Breast Surgery. Fellowship training in Breast/Oncologic Surgery.
