Academic Scholar- Clinical Assistant/ Associate Professor, Division of Geriatrics & Palliative Medicine

**Department:** Medicine

**Posting Link:** <https://www.ubjobs.buffalo.edu/postings/55559>

**Job Type:** Full-Time

### Posting Detail Information

#### Position Summary

**[Division of Geriatrics & Palliative Medicine](#)**, Jacobs School of Medicine (JSMBS) and Biomedical Sciences, University at Buffalo (UB), seeks a **Geriatric BE/BC physician** for a full-time position based at our suburban practice. The qualified candidate will be appointed at the **Clinical Assistant/ Associate Professor** level.

The candidate will be responsible for the development and oversight of an ambulatory practice that provides comprehensive evaluation and care to a geriatric population.

- The candidate will provide direct care as well as supervise other members of the care team.
- This is a unique opportunity to build a state-of-the-art experience for the elderly in a community based multispecialty setting.
- Given the academic mission of the Division the candidate will oversee the educational experience of fellows, residents and medical students assigned to the site.

This is an opportunity to join an organization focused on the future of medicine-one whose physicians and advanced practitioners collaborate with their patients to ensure a higher state of care and better outcomes. At UB Department of Medicine, you will experience a deeper sense of compassion, greater breadth of diversity and a never-ending desire to raise the standard of medical excellence, regionally and nationally.

We are committed to a professional environment that is positive, respectful, cohesive and supportive of cultural and individual differences in the service of our clinical and academic goals.
