#### About Buffalo:

Buffalo is the second-largest city in New York State and is located in the western region on the shores of Lake Erie, upriver of the majestic Niagara Falls. Western New York is an ideal place to live and work. Buffalo - the City of Good Neighbors - is a big city with a rapidly growing economy, vital academic health sciences center, outstanding public schools, and modest cost of living. Buffalo-Niagara, a region of 1.2 million people, is home to world-class art galleries and museums, a comprehensive citywide system of parks and green space designed by renowned landscape architect Frederick Law Olmsted, a vibrant theater and music community, and major and minor league sports teams. These are just a few of the wide array of cultural and recreational elements that make Buffalo a great place to work, study and live. For more information, please visit the following [website](#).
