### Posting Detail Information

#### Position Summary

The Jacobs School of Medicine and Biomedical Sciences, State University of New York at Buffalo, [Department of Medicine](#), Division of Hematology/Oncology, seeks full time faculty at the **Assistant/Associate Professor** level to serve at our major affiliated teaching hospitals and ambulatory settings.

Overall duties include:

- Serving as an attending physician for inpatient consultations and ambulatory services, consultations and patient follow-up
- Teaching students
- Training and supervising residents and fellows
- Conducting clinical research and participating in clinical trials
- Participation in all academic activities of the Division and the Department is required

The Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo has recently received the CTSA award and is located on the Buffalo Niagara Medical Campus. The central multidisciplinary clinical environment provides access to high-quality care, including innovations in preventative medicine, and supports critical research programs. To learn more, please visit our [website](#).

#### About Buffalo

The city of Buffalo and surrounding area are large enough to offer plenty to a diverse population of over one million residents; however, it brims over with small-town warmth and friendliness. Get past the snowy stereotype and you will immediately be captivated by Buffalos beauty, heritage and welcoming environment. To discover more about how much this region has to offer, please visit About Buffalo - Jacobs School of Medicine and Biomedical Sciences - University at Buffalo

#### About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of Americas leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day.
