Posting Detail Information

Position Summary

The Jacobs School of Medicine and Biomedical Sciences, State University of New York at Buffalo, [Department of Medicine](#), Division of General Internal Medicine, seeks full time faculty at the **Assistant/Associate Professor** level to serve at our major affiliated teaching hospitals and ambulatory settings.

Overall duties include:

- Serving as an attending physician for inpatient consultations and ambulatory services, consultations and patient follow-up
- Teaching students
- Training and supervising residents and fellows
- Conducting clinical research and participating in clinical trials
- Participation in all academic activities of the Division and the Department is required

The Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo has recently received the CTSA award and is located on the Buffalo Niagara Medical Campus. The central multidisciplinary clinical environment provides access to high-quality care, including innovations in preventative medicine, and supports critical research programs.
