Job Type: Full-Time

Posting Detail Information

Position Summary

The University at Buffalo Jacobs School of Medicine and Biomedical Sciences, [Department of Medicine](#), Division of Hematology/Oncology, is seeking full time Academic Scholars for an Assistant/Associate/Professor position to serve at our major affiliated teaching hospitals and ambulatory settings. The candidate will help to build the new clinical and research program for benign hematology and hematological malignancies.

Overall duties include:

- serving as attending physician for inpatient consultations and ambulatory services,
- tumor board participation,
- teaching students,
- training residents and supervision of fellows, and
- building a clinical trial portfolio.

Participation in all academic activities of the Division and the Department is required.

About The University at Buffalo
