Posting Detail Information

Position Summary

The Division of Emergency Medicine in the [Department of Pediatrics](#) at the University of Buffalo (UB), Jacobs School of Medicine and Biomedical Sciences, and the [John R. Oishei Childrens Hospital](#) (OCH) is seeking a **Clinical Assistant or Associate Professor** to fill a position that provides direction and leadership to implement emergency care standards, practice and competencies of the OCH.

The Emergency Department Physician assists the Chief to meet or exceed expected outcome measures including patient satisfaction, length of stay, and clinical standards. The incumbent is responsible for maintaining effective and responsive relationships with patients, managing professional and clerical staff. They will work alongside and supervise students, residents, fellows and APPs in all areas of the Emergency department.

We are a growing division with 11 faculty members with an ACGME accredited fellowship program. Our recently new 28 bed ED (19 exam; 5 kids express & 4 trauma) serves 45,000 pediatric patients per year, has an operational Helipad and is the only level 1 pediatric trauma center in Western New York.

About the Jacobs School of Medicine and Biomedical Sciences

The Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo has recently received the CTSA award and is located on the Buffalo Niagara Medical Campus. The central multidisciplinary clinical environment provides access to high-quality care, including innovations in preventative medicine, and supports critical research programs.
