Posting Detail Information

Position Summary

The Department of Neurosurgery, Jacobs School of Medicine and Biomedical Sciences, University at Buffalo (UB) is seeking an **Assistant or Associate Professor**.

The successful applicant will:

- Develop both neurobiological and lymphatic research through grant funding and papers
- Train graduate and undergraduate students as well as postdocs, residents and fellows in neurobiological research methods
- Participate in multi-center research projects with a focus on neurobiology

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. We support your growth and development through our career coaching and training department and we qualify as a public service loan forgiveness organization.
