### Posting Detail Information

### Position Summary

The [Department of Neurology](#), University at Buffalo Jacobs School of Medicine and Biomedical Sciences is seeking to recruit a **Neurologist at the Assistant or Associate Professor level**. Candidates should be BE/BC in Neurology and fellowship trained in Headache.

### In this role:

- Clinical responsibilities will be devoted to coverage of the inpatient general neurology service housed at Buffalo General Medical Center. You will also provide patient care at our Williamsville and Conventus outpatient clinic locations.
- You will provide bedside and didactic teaching to medical students, residents, and fellows. This includes mentoring and giving didactic lectures, particularly in fields of interest including headache and facial pain.
- You will pursue clinical research interests in the field of headache.

### Learn more:

- Our [benefits](#), where we prioritize your well-being and success to enhance every aspect of your life.
- Being a part of the [University at Buffalo community](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

### Minimum Qualifications

- MD, DO, or equivalent degree
- BC/BE in Neurology
- Fellowship trained in Headache
