Posting Detail Information

Position Summary

The Department of Obstetrics and Gynecology is seeking a physician with subspecialty training in Pediatric and Adolescent Gynecology (PAG) to join our Division of General Obstetrics and Gynecology at the Jacobs School of Medicine and Biomedical Sciences, University at Buffalo, SUNY. Our partners include Kaleida Health and specifically the John R. Oishei Children's Hospital, a recently built hospital with new operating and delivery facilities that is adjacent to the new medical school building on the Buffalo-Niagara Medical Campus. UB is a top-tier academic institution, situated across 3 campuses with faculty engaged in transformational patient care, education, and medical research.

The successful applicant will be BC/BE in Obstetrics and Gynecology and have completed a formal fellowship in PAG.

In this position you will be expected to

- possess excellent clinical skills,
- provide the highest quality of patient care
- demonstrate a capability, interest, and enthusiasm for teaching medical students and training residents.

Our residency has 36 categorical positions, 9 at each year. Our goal is to increase our patient care in PAG and develop a Division of PAG. Involvement in clinical research is encouraged, and there are many opportunities for interdisciplinary research within the Buffalo Niagara Medical Campus and the larger University at Buffalo community.

Academic rank and compensation will be commensurate with training and achievement. A comprehensive benefit package is included.

Buffalo, New York, is known as "The City of Good Neighbors" and is the second largest city in New York State. It has many unique characteristics, which make it an ideal place to live and work. Amherst, a nearby suburb, is consistently rated as one of the safest communities in the nation. Area public schools are outstanding, and housing is very affordable. Buffalo is a cultural center with excellent theater, engaging museums, and an exceptional symphony. In addition, the surrounding environment contains two of the Great Lakes for sailing, boating and fishing; hills for skiing and hiking; award-winning local restaurants for dining out; and the breathtaking Niagara Falls for admiring and exploring.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. Visit our benefits website to learn about our [benefit packages](#).

About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day. Visit our website to learn more about the [University at Buffalo](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
