Posting Detail Information

Position Summary

The Department of Obstetrics and Gynecology is seeking a physician to join our Division of General Obstetrics and Gynecology at the Jacobs School of Medicine and Biomedical Sciences, University at Buffalo, SUNY. Our partners include Kaleida Health and specifically the John R. Oishei Children's Hospital, a recently built hospital with new operating and delivery facilities that is adjacent to the new medical school building on the Buffalo-Niagara Medical Campus. UB is a top-tier academic institution, situated across 3 campuses with faculty engaged in transformational patient care, education, and medical research.

The successful applicant will be BC/BE in Obstetrics and Gynecology.

In this position, you will be expected to

- possess excellent clinical skills
- provide the highest quality of patient care
- demonstrate a capability, interest, and enthusiasm for teaching medical students and training residents.

Our residency has 36 categorical positions, 9 at each year. Involvement in clinical research is encouraged, and there are many opportunities for interdisciplinary research within the Buffalo Niagara Medical Campus and the larger University at Buffalo community.

Academic rank and compensation will be commensurate with training and achievement. A comprehensive benefit package is included.

Buffalo, New York, is known as "The City of Good Neighbors" and is the second largest city in New York State. It has many unique characteristics, which make it an ideal place to live and work. Amherst, a nearby suburb, is consistently rated as one of the safest communities in the nation. Area public schools are outstanding, and housing is very affordable. Buffalo is a cultural center with excellent theater, engaging museums, and an exceptional symphony. In addition, the surrounding environment contains two of the Great Lakes for sailing, boating and fishing; hills for skiing and hiking; award-winning local restaurants for dining out; and the breathtaking Niagara Falls for admiring and exploring.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including
