Posting Detail Information

Position Summary

The **UBMD Internal Medicine**, Division of General Internal Medicine is seeking applicants for a full-time Advanced Practice Provider (APP) for its community-based practice sites.

The Advanced Practice Provider (APP) operates under the direction and supervision of one or more physicians, providing healthcare services for adults.

They are responsible for:

- The provision of comprehensive care to a panel of adult patients.
- Supporting the clinical practice of physicians at their site.
- Appropriately assessing patients and developing safe and cost-effective plans of care.
- Functioning as a key member of the clinical team in optimizing patient flow and maximizing the delivery of quality care to patients.
- Completion of all documentation and billing related to encounters no later than 2 business days from the date of service.

Learn more:

- Being a part of the [**University at Buffalo community.**](#)

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

Minimum Qualifications

- Masters Degree in accredited NP/PA program
- Current NYS license, DEA and Board Certification

Preferred Qualifications

- Minimum two years experience with healthcare delivery in an ambulatory setting. We are willing to consider newer graduates.
