mission, diverse student body, and commitment to equity and social justice. Since our founding in 1868, we have driven innovation, creating global intellectual, economic and social value.

We are looking for applicants who reflect California's diversity and want to be part of an inclusive, equity-focused community that views education as a matter of social justice. Please consider whether your values align with our [Guiding Values and Principles](#), [Principles of Community](#), and [Strategic Plan](#).

At UC Berkeley, we believe that learning is a fundamental part of working, and provide space for [supportive colleague communities via numerous employee resource groups](#) (staff organizations). Our goal is for everyone on the Berkeley campus to feel supported and equipped to realize their full potential. We actively support this by providing all of our full-time staff employees with up to 80 hours (10 days) of paid time per year to engage in professional development activities. Find out more about how you can [grow your career](#) at UC Berkeley.

Departmental Overview

UC Berkeley's University Health Services (UHS) is a comprehensive college health service providing fully accredited medical care, counseling and psychological services, and innovative health promotion programs for students, faculty, and staff. Approximately 65,000 visits occur annually including Primary Care, Urgent Care, Occupational Health, and Specialty Clinics. Services are designed to enable students to get the most from their educational experience, minimizing the impact of illness, injury and emotional distress on their academic careers. Medical care and wellness programs for faculty and staff are designed to meet their occupational health needs and minimize lost work time. These visits generate ancillary encounters with the Radiology, Clinical Laboratory, Physical Therapy and Pharmacy departments, and supplemental needs for off-campus care are coordinated through a network of community specialists and hospitals. Learn more about UHS by visiting <http://uhs.berkeley.edu/about>

Responsibilities

Lab Test Performance:

- Performs a variety of non-standardized and standardized clinical laboratory tests requiring professional judgment and experience.
- Provides technical consultation to clinical and other laboratory staff.
- Monitors test analyses and specimen examinations to ensure that acceptable levels of analytic performance are maintained.
- The Clinical Laboratory Scientist provides ongoing monitoring and certification of work conducted by the lab assistants.

- Assures that all remedial actions are taken whenever test systems deviate from the UHS lab performance specifications and that all systems function correctly for the release of patient results, in accordance with clinical quality standards and state and federal guidelines.
- Evaluate patient results and correlate with other departments when indicated.

Specimen Procurement and Processing:

- Judges appropriateness of specimens in correlation with orders, judges quality of specimens and rejects those not acceptable, and handles specimens according to procedures.
- Performs the duties of the Lab Assistant / Phlebotomist as required.
- Performing specimen preparation and processing.

Maintenance:

- Assists in the assessment of new procedures / methods and the implementation of new techniques, equipment, and technology as appropriate.
- Routinely performs and documents preventive maintenance, proficiency testing, quality control records, test worksheets and initiates actions as appropriate.

Performs other duties as assigned, which may include but are not limited to:

- Training other personnel.
- Evaluating methods and procedures.
- Maintain, inventory, distribute and order supplies and reagents.
- Participate actively in staff meetings, huddles and UHS committees as assigned.
- Other duties as assigned.

Required Qualifications

Education

- Graduation from college with a major in an appropriate scientific field, possession of a Clinical Laboratory Scientist's license issued by the State Department of Health and knowledge and abilities essential to the successful performance of duties assigned to the position.

License and Certification

- Current Clinical Laboratory Scientist License (CLS) issued by the State of California.

Salary & Benefits

For information on the comprehensive benefits package offered by the University, please visit the University of California's [Compensation & Benefits](#) website.

Under California law, the University of California, Berkeley is required to provide a reasonable estimate of the compensation range for this role and should not offer a salary outside of the range posted in this job announcement. This range takes into account the wide range of factors that are considered in making compensation decisions including but not limited to experience, skills, knowledge, abilities, education, licensure and certifications, analysis of internal equity, and other business and organizational needs. It is not typical for an individual to be offered a salary at or near the top of the range for a position. Salary offers are determined based on final candidate qualifications and experience.

- This is a per diem appointment with variable hours
- The per diem hourly rate for this position is \$59.26
- Per diem positions are not eligible for the UC benefits plan.

How to Apply

To apply, please submit your resume and cover letter.

Other Information

- This is not a visa opportunity.
- This position is governed by the terms and conditions in the agreement for the Health Care Professionals Unit (HX) between the University of California and the University Professional and Technical Employees (UPTA). The current bargaining agreement manual can be found at: <http://ucnet.universityofcalifornia.edu/labor/bargaining-units/hx/index.html>.
- Your employment is dependent on obtaining and maintaining a credentialing clearance (if applicable), background clearance and medical clearance according to University Health Service policies.

Conviction History Background

This is a designated position requiring fingerprinting and a background check due to the nature of the job responsibilities. Berkeley does hire people with conviction histories and reviews information received in the context of the job responsibilities. The University reserves the right to make

employment contingent upon successful completion of the background check.

Mandated Reporter

This position has been identified as a Mandated Reporter required to report the observed or suspected abuse or neglect of children, dependent adults, or elders to designated law enforcement or social service agencies. We reserve the right to make employment contingent upon completion of signed statements acknowledging the responsibilities of a Mandated Reporter.

Equal Employment Opportunity

The University of California is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, or other protected status under state or federal law.

Misconduct Disclosure

As a condition of employment, the final candidate who accepts a conditional offer of employment will be required to disclose if they have been subject to any final administrative or judicial decisions within the last seven years determining that they committed any misconduct; received notice of any allegations or are currently the subject of any administrative or disciplinary proceedings involving misconduct; have left a position after receiving notice of allegations or while under investigation in an administrative or disciplinary proceeding involving misconduct; or have filed an appeal of a finding of misconduct with a previous employer.

"Misconduct" means any violation of the policies or laws governing conduct at the applicant's previous place of employment, including, but not limited to, violations of policies or laws prohibiting sexual harassment, sexual assault, or other forms of harassment, discrimination, dishonesty, or unethical conduct, as defined by the employer. For reference, below are UC's policies addressing some forms of misconduct:

[UC Sexual Violence and Sexual Harassment Policy](#)

[UC Anti-Discrimination Policy](#)

[Abusive Conduct in the Workplace](#)
