Job Description

The Department of Internal Medicine at the University of Kentucky is seeking a faculty member to serve as the medical director of the cardio-oncology program within the Division of Cardiovascular Medicine at the University of Kentucky Medical Center. This position will primarily oversee the multidisciplinary care of ambulatory cardio-oncology patients who receive care within the state-of-the-art cardiology facility located within the Comprehensive Markey Cancer Center, and in-patient consults within the University of Kentucky Medical Center. Most of these responsibilities will include clinical care teaching activities with medical students, residents, and fellows.

Please include an updated curriculum vitae when submitting your application. Applications will be reviewed upon receipt and will continue until the position is filled.
