Posting Detail Information

Position Summary

The University at Buffalo, State University of New York, [Department of Neurology](#) is expanding and adding to its clinical faculty. We are actively recruiting for a full-time BC/BE neurologist, fellowship trained in neuromuscular disorders.

This candidate will provide inpatient care for general neurology patients at Buffalo General Medical Center. Candidates will be responsible for call every other day while on hospital service. They will have an outpatient neuromuscular disorders clinic at either our Williamsville or Conventus locations.

Faculty duties include education, oversight and instruction of neurology residents, fellows, and medical students from Jacobs School of Medicine and Biomedical Sciences.

Learn more:

- Our [benefits](#), where we prioritize your well-being and success to enhance every aspect of your life.
- Being a part of the [University at Buffalo community](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

Minimum Qualifications

- BC/BE by ABPN neurologist
- Fellowship training in neuromuscular disorders
