Posting Detail Information

Position Summary

The [Department of Neurology](#), University at Buffalo Jacobs School of Medicine and Biomedical Sciences is seeking to recruit **Child Neurologists** at the **Assistant or Associate Professor** level. Candidates should be board eligible or board certified in Child Neurology and will join the [Child Neurology Division](#) at Oishei Childrens Hospital, a new facility. Clinical and research focus in stroke and neurocritical care, movement disorders, inherited disorders, neuromuscular disorders or headache would be of interest.

Responsibilities include:

- Clinical responsibilities will be devoted to coverage of the inpatient stroke service housed at Oishei Childrens Hospital and outpatient clinic at our Williamsville and Conventus clinics.
- Provide bedside and didactic teaching of neurology residents and fellows as well as medical students rotating on the child neurology service.
- Pursue clinical research interests in the field of child neurology.

Learn more:

- Our [benefits](#), where we prioritize your well-being and success to enhance every aspect of your life.
- Being a part of the [University at Buffalo community](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
