Posting Detail Information

Position Summary

The [Department of Surgery](#) within the Jacobs School of Medicine and Biomedical Sciences, State University of New York at Buffalo (UB), is seeking a highly qualified Trauma/Critical Care Surgeon.

This full-time position will be based at our major affiliated teaching hospitals, with an appointment at the Clinical Associate or Full Professor level. The successful candidate will play a vital role in advancing trauma and critical care services and will demonstrate a commitment to excellence in patient-centered care.

Overall duties include:

- Serving as attending physician for inpatient trauma and critical care services
- Providing consultation, treatment, and follow-up for trauma and critically ill patients
- Teaching and mentoring residents, fellows, and medical students
- Engaging in clinical and basic science research, as well as participating in clinical trials that promote advancements in trauma and critical care

Leadership responsibilities include:

- Serving as a mentor and advisor to junior faculty within the division
- Contributing to curriculum development and educational innovation in trauma/critical care surgical training
- Participating in departmental committees and strategic planning initiatives
- Assisting in quality improvement, patient safety, and program development projects within the Division of Trauma and Critical Care Surgery
- Helping foster collaborations across hospital sites and with community partners to expand trauma and critical surgical care and outreach

About UB

The University at Buffalo is SUNY's most comprehensive public research university, and an outstanding place to work. UB amplifies ambition for faculty and staff by offering endless possibilities to achieve more. Here, people from all backgrounds and cultures challenge and inspire each other to discover, learn and succeed. Dedicated staff and engaged faculty collaborate to further knowledge and
