Posting Detail Information

Position Summary

The [Department of Surgery](#) within the Jacobs School of Medicine and Biomedical Sciences, State University of New York at Buffalo (UB), is seeking a highly qualified Pediatric Surgeon. This full-time position will be based at our major affiliated teaching hospitals, with an appointment at the Clinical Assistant Professor level.

The successful candidate will play a vital role in advancing pediatric surgery services and will demonstrate a commitment to excellence in patient-centered care.

Overall duties include:

- Serving as attending physician for inpatient pediatric care services
- Providing consultation, treatment, and follow-up for pediatric surgery patients
- Teaching and mentoring residents, fellows, and medical students
- Engaging in clinical and basic science research, as well as participating in clinical trials that promote advancements in pediatric surgery

About UB

The University at Buffalo is SUNY's most comprehensive public research university, and an outstanding place to work. UB amplifies ambition for faculty and staff by offering endless possibilities to achieve more. Here, people from all backgrounds and cultures challenge and inspire each other to discover, learn and succeed. Dedicated staff and engaged faculty collaborate to further knowledge and understanding, and develop tenacious graduates who are valued for their talents and their impact on global society. Visit our website to learn more about the University at Buffalo.
