Posting Detail Information

Position Summary

The University at Buffalo, State University of New York, Department of Neurology is expanding and adding to its clinical faculty. We are actively recruiting for a full-time BC/BE neurologist, fellowship trained in multiple sclerosis.

This candidate will provide inpatient care for general neurology patients at Buffalo General Medical Center. Candidates will be responsible for call every other day while on hospital service. They will have an outpatient multiple sclerosis clinic at either our Williamsville or Conventus locations.

Faculty duties include:

- education
- oversight and instruction of neurology residents, fellows, and medical students from Jacobs School of Medicine and Biomedical Sciences.

About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day. Visit our website to learn more about the [University at Buffalo](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. Visit our benefits website to learn about our [benefit packages](#).
