Posting Detail Information

Position Summary

The [Department of Orthopaedics](#) at the University at Buffalo is recruiting a faculty member to join as a **Clinical Assistant Professor**. This well regarded academic program, offers complete care of all orthopaedic and musculoskeletal problems from kids to adults to seniors. We are looking for dedicated physicians who specialize in Spine Surgery and Foot & Ankle Surgery. This is a unique opportunity to join the largest Orthopaedic group in Western New York. Our board-certified and fellowship-trained physicians have the experience and expertise to handle the entire spectrum of bone and joint problems, resulting in leading edge evaluation and treatment of our patients.

To learn more, interested candidates may visit the [UBMD Orthopaedics & Sports Medicine](#) website.

Competitive salary and generous benefit package offered.

Academically, the candidate will teach students, residents, and fellows. The department offers support for grant writing and collaborative research.

Learn more:

- Our [benefits](#), where we prioritize your well-being and success to enhance every aspect of your life.
- Being a part of the [University at Buffalo community](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our
