Job Description

The United Arab Emirates University invites applications for a faculty position. Qualified candidates at all levels will be considered at a rank commensurate with academic accomplishments. The appointee will be involved in all phases of medical education at CMHS, including curriculum and course planning, lectures, tutorials, seminars, practical sessions and in facilitating problem-based learning sessions. Candidates are expected to have a strong commitment to teaching excellence and student advising at the undergraduate and graduate levels, a demonstrable research capability that will enable the candidate to develop and sustain an internally and/or externally funded research program in his/her
