The appointee will contribute to teaching in both the undergraduate psychology courses, the Master of Professional Counselling and Master of Clinical Psychology. In addition, the appointee will be expected to undertake supervision of research projects in psychology and counselling. The appointee should have a track record of leadership of research in clinical psychology and/or counselling. The appointee will also actively contribute toward administrative service and unit coordination within the Department.

**Reporting line:**The position reports to the Head, Department of Psychology

**Supervisory responsibilities:**To be advised

**Financial delegation and/or budget responsibilities:**Not applicable

**Key responsibilities**

1. Lead curriculum development, innovation, enhancement and quality assurance in the undergraduate and postgraduate curriculum.
2. Lead the development and delivery of innovative and excellent teaching, learning and assessment experiences for undergraduate and postgraduate students.
3. Conduct world class research, maintaining an active record of high quality publication, grants, and PhD student supervision.
4. Lead the development and implementation of a research strategy for the Jeffrey Cheah School of Medicine and Health Sciences consistent with the research priorities of Monash University Malaysia and Monash University.
5. Lead the development of strong collaborations with other universities and with government, industry and/or civil society to drive research impact and educational excellence.
6. Play an active leadership role in the management of education, research and/or administration in the School, including coaching, mentorship, leadership and effective performance management.
7. May include supervision of students for placements in counselling and clinical psychology.

**Key selection criteria**

**Education/Qualifications**

1. A doctoral qualification (PhD) in Psychology and trained in Dialectical Behavior Therapy (DBT).
2. A strong record of successful and innovative curriculum development.
3. An outstanding record of teaching, and educational leadership, which demonstrates a commitment to innovation and excellence.
