Job Type: Full-Time

Posting Detail Information

Position Summary

The [Department of Pediatrics](#) in the Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo (UB), and the Golisano Childrens Hospital of Buffalo as of January 2026, is recruiting for a full-time Clinical Assistant, Associate, or Full Professor in the Division of Endocrinology/Diabetes. The ideal candidate will hold a medical degree and be board certified in pediatrics and board certified/board eligible in pediatric endocrinology.

The candidate will provide clinical care for children and young adults with endocrine disorders and diabetes (Type 1 and Type 2). This position includes inpatient clinical duties, and outpatient care in our newly remodeled dedicated outpatient center as well as satellite clinics in the Western New York region. Additionally, you will contribute to the education and training of medical students, residents, and fellows through didactic teaching, clinical supervision, and mentorship. Interest in quality improvement and clinical research is encouraged.

The Division of Pediatric Endocrinology/Diabetes is a busy practice with 5 BC Pediatric Endocrinologists and an ACGME accredited fellowship program. The division sees approximately 8,000 patients per year. Our division is recognized for a strong clinical research program.

UBMD Pediatrics is one of 18 practice plans within UBMD Physicians Group, the single largest medical group in Western New York. We provide premier health care to infants, children, adolescents and adults. In addition to primary care pediatrics, we have 17 pediatric subspecialties. Our physicians make up the academic teaching faculty within the Department of Pediatrics at the Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo and at Oishei Childrens Hospital. For more information, please visit our, [UBMD Pediatrics](#) website.

The successful applicant must share our unwavering commitment to excellence, integrity, collegiality, antiracism, and respect for the inclusion of individuals with diverse backgrounds.

The University at Buffalo (UB) is one of Americas leading public research universities and a flagship of

the State University of New York system. Learn more about being a part of the University at Buffalo community.

About the Buffalo/Niagara region

Buffalo is the second-largest city in New York State and is located on the shores of Lake Erie, upriver of the majestic Niagara Falls. Buffalo - the City of Good Neighbors - is a city that features world-class art galleries and museums (American Style ranked Buffalo as the #1 arts destination for all mid-size cities), impressive architecture, major and minor league sports teams, and a wonderful series of parks and outdoor recreation areas. Buffalo has a vibrant downtown with an abundance of restaurants for every palette, named one of the Top 10 Food cities by National Geographic, and is an entertainment central. Buffalo is home to iconic historical landmarks, diverse attractions, and hosts many annual cultural events including the Juneteenth Festival, Festival of India, Egyptian Festival, Northwest Jazz Festival, and others. Buffalo is close to two significant wine growing regions-Niagara Escarpment and the Finger Lakes region. In addition, the Adirondack Mountains are half-a-days drive from Buffalo. Rich in natural resources and beauty, the Buffalo Niagara area is a four-season region that offers the best for seasonal sports enthusiasts. These features along with the economic and cultural revitalization being experienced by the city and surrounding region and its affordability, make the region highly attractive as evidenced by Buffalos top rankings in multiple categories as a place to live. Additional information about the area can be found at our [Beautiful Buffalo Niagara](#) website.

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
