The Department of Psychiatry and Behavioral Neurobiology at the University of Alabama at Birmingham (UAB) is offering full-time faculty position for an academically-oriented BC/BE in the Division of Adult Psychiatry. This position would be non-tenure, rank and salary commensurate with experience and qualifications. This position provides an excellent opportunity for a clinician teacher who enjoys collaborative work and enjoys interdisciplinary training of residents, fellows, medical students and other professionals. Primary responsibilities include outpatient and/or inpatient clinical services in the Division of Adult Psychiatry and participation in the teaching and supervision of psychiatry residents and medical students is also required.

The University of Alabama at Birmingham (UAB) is a research university and academic health center that discovers, teaches, and applies knowledge for the intellectual, cultural, social, and economic benefit of Birmingham, the state, and beyond. UAB is internationally renowned for its intensely collaborative culture that has — for more than five decades — produced breakthroughs in education, health care, research, and service. UAB was ranked #1 in the United States for 2018 and 2019 in the Times Higher Education World University Rankings, Young University Rankings. In 2021, Forbes named UAB as America's No. 1 Best Large Employer, topping a list of more than 500 public and private corporations, hospitals, universities, Fortune 500 companies and more, across dozens of industries.

UAB Medicine is the third largest public academic medical center in the country, with more than 1,900 beds and almost 18,000 employees. We are the only Level 1 Trauma Center in the state of Alabama. UAB Hospital is the centerpiece of the UAB Health System and is the teaching hospital for the UAB School of Medicine. Situated among major research centers and clinics, UAB Hospital provides patients with a complete range of primary and specialty care services, as well as the most up-to-date treatments and innovations in health care. In addition to UAB Hospital, UAB Medicine includes The Kirklin Clinic of UAB Hospital, UAB Callahan Eye Hospital, as well as several primary and specialty care clinics, a dozen member and affiliate hospitals within Alabama, more than 10 cancer associates in the Southeast, and the Viva Health HMO.

Interested candidates should apply here: <https://uab.peopleadmin.com/postings/26718> by submitting an online application to include a cover letter and curriculum vitae. Evaluation of applications will occur as they are received and will continue until all available positions are filled.

A pre-employment background investigation is performed on candidates selected for employment. In addition, physicians and other clinical faculty candidates who will be employed by the University Of Alabama Health Services Foundation (UAHSF) or other UAB Medicine entities must successfully complete a pre-employment drug screen to be hired.
