The incumbent will provide academic leadership and contribute significantly to the enhancement of teaching, learning, and research in the field of Clinical Pharmacology. Key responsibilities include overseeing the delivery of existing courses within the Jeffrey Cheah School of Medicine and Health Sciences. The incumbent is expected to supervise undergraduate and postgraduate students, mentor early career researchers, and engage in high-quality scholarly activities that advance knowledge and best practices in Clinical Pharmacology.

In addition, the incumbent will play a strategic role in driving research excellence by actively pursuing, leading, and strengthening research collaborations with government agencies, healthcare institutions, and industry partners. This includes contributing to translational research and promoting the adoption of evidence-based medical and health professions education practices across the School.

**Reporting line:**The position reports to Professor

**Supervisory responsibilities:**Not applicable

**Financial delegation and/or budget responsibilities:**Not applicable

**Key responsibilities**

1. Contribute to curriculum development, innovation, enhancement and quality assurance in the undergraduate and postgraduate curriculum.
2. Develop and deliver innovative and excellent teaching, learning and assessment experiences for undergraduate and postgraduate students.
3. Conduct high quality research, maintaining an active record of publication and building a profile of grants and PhD student supervision.
4. Support the development and implementation of a research strategy for Jeffrey Cheah School of Medicine and Health Sciences consistent with the research priorities of Monash University Malaysia and Monash University.
5. Participate in collaborations with other universities and with government, industry and/or civil society to drive research impact and educational excellence.
6. Support the management of education, research and/or administration in the School through, for example, participation in committees.

**Key selection criteria**
