Job Description

Are you a Board-Certified/Board Eligible Hematologist or Hematologist/Oncologist, who is interested in joining the rapidly expanding Division of Hematology and Blood & Marrow Transplantation at the University of Kentucky / Markey Cancer Center? We seek an academically focused clinician to join on Assistant or Associate Professor level with a focus on non-malignant hematology, who is enthusiastically committed to teaching, patient care, and patient-oriented research. Protected time for research and teaching activities will be provided commensurate with the applicant's strengths and interests. The position involves an active role in our combined Adult/Pediatric Hemophilia Treatment Center and provides excellent opportunities for collaborations with our basic research groups.

The University of Kentucky Medical Center is a premier research institution in the Commonwealth

servicing a wide geographic area, treating patients from throughout Kentucky, Tennessee, West Virginia, and beyond, providing the opportunity for large practice growth with the Markey Cancer Center being the only NCI-designated Cancer Center in Kentucky.

In our Division of Hematology & BMT, our mission is to reduce cancer deaths through innovative research, dedicated patient care, and education. We provide access to highly specialized, comprehensive and personalized care, state of the art research and clinical trials

The University of Kentucky offers excellent and comprehensive compensation based on rank and experiences plus outstanding benefits packages. It is located in Lexington, Kentucky, which offers excellent schools, outstanding neighborhoods within walking distance to the University, low cost of living, and is a great place to raise a family. Outdoor activities and national parks are easily accessible in close proximity, providing an excellent work - life balance.

Applicants should include a letter of interest and current CV. Applications will be reviewed immediately and will continue until the position is filled.

For questions, please contact Gerhard Hildebrandt, M.D., FACP, Professor and Chief, Division of Hematology/BMT, Department of Internal Medicine via email at gerhard.hildebrandt@uky.edu. Please note that, to be considered an applicant for this position, you must submit an application via UK's online employment system.
