Job Description

The Department of Ophthalmology at the University of Kentucky is recruiting a full-time faculty member at the Instructor level for an Oculoplastics fellowship. The applicant must have already applied for the fellowship through SFMatch. No other applicants will be considered.

The desired individual must be board-eligible or board-certified in Ophthalmology. This position will function as a full-time faculty member and attending physician primarily in the Department of Ophthalmology at Chandler and Good Samaritan Hospitals.

The position will have an opportunity to participate in research, teaching, career development and service activities, as well as department activities such as faculty meetings and research and teaching conferences.
