- sexually transmitted diseases
- alcohol and substance abuse
- mental health conditions
- reproductive health care
- gender dysphoria
- chronic disease

The incoming Division Chief will:

- Demonstrate leadership and further develop the clinical operations and scholarship within the division.
- Recruit and mentor academically outstanding faculty members.
- Grow multidisciplinary clinical programs.
- Oversee the education of medical students and residents in Adolescent Medicine.
- Supervise and collaborate with the Nurse Practitioner and dietician in the division.
- Expand research activities of the Division and participate in collaborative research projects within the division and with other departments or institutions.
- Engage in scholarly research initiatives and activities, and collaborate with colleagues to enhance patient care related to adolescent health and medicine.
- Contribute to the advancement of adolescent medicine services within the department, promoting evidence-based practices and innovative approaches.
- Participate in Department of Pediatrics Division Chiefs and Department of Pediatrics Faculty meetings.
- Serve as a resource for colleagues, medical staff, and healthcare professionals in matters related to adolescent health.

UBMD Pediatrics is one of 18 practice plans within UBMD Physicians' Group, the single largest medical group in Western New York. We provide premier health care to infants, children, adolescents and adults. In addition to primary care pediatrics, we have 17 pediatric subspecialties. Our physicians make up the academic teaching faculty within the Department of Pediatrics at the Jacobs School of Medicine and Biomedical Sciences at the University of Buffalo and at Oishei Children's Hospital. For more information regarding UBMD Pediatrics, please visit UBMD Pediatrics.

About the Buffalo/Niagara region

Buffalo is the second-largest city in New York State and is located in the western region on the shores of Lake Erie, upriver of the majestic Niagara Falls. Buffalo - the City of Good Neighbors - is a big city with a rapidly growing economy, vital academic health sciences center, outstanding public schools, and

modest cost of living. Buffalo-Niagara, a region of 1.2 million people, is home to world-class art galleries and museums, a comprehensive city-wide system of parks and green space designed by renowned landscape architect Frederick Law Olmsted, a vibrant theater and music community, an abundance of restaurants for every palette, and major and minor league sports teams. Buffalo is home to iconic historical landmarks, diverse attractions, and hosts many annual cultural events. Buffalo is close to two significant wine growing regions-Niagara Escarpment and the Finger Lakes region. In addition, the Adirondack Mountains are half-a-day's drive from Buffalo. Rich in natural resources and beauty, the Buffalo Niagara area is a four-season region that offers the best for seasonal sports enthusiasts. Due to its mild temperatures, low risk of natural disasters, abundant fresh water, and clean energy production, Buffalo is a great place to work, study and live - going from "Punchline to Lifeline".
