Job Description

Job Description

The United Arab Emirates University invites applications for a faculty position. The appointee will be involved in the co-ordination of undergraduate teaching of medical students and medical residents preparing for Arab Boards in Obstetrics and Gynecology & RCOG membership, and the organization of clinical examinations and mock examinations in Obstetrics and Gynecology for MBBS and postgraduate (Arab Board and MRCOG) examinations. About 50% of the clinical time would be spent overseeing and developing clinical service in the care of medical illness in pregnancy. He/she will also provide Consultant service covering general Obstetrics and Gynecology during acute calls. The appointee would be expected to contribute to research within the CMHS and in collaboration with
