**Job Description**

The University of Kentucky College of Medicine invites applications and seeks nominations for the position of Assistant Professor of Pediatrics. The successful candidate will also serve as a faculty member within the Division of Rheumatology. The primary responsibilities of this position are to provide quality cost-effective care to children at the Kentucky Children's Hospital and the Kentucky Clinic as well as outreach locations located primarily in Eastern Kentucky. In addition, the faculty member will participate in the education of our students, residents and extended medical community.

The faculty member will be involved in medical student and resident programs. Excellent opportunities for research are available.
