research, but clinical practice opportunities in affiliated teaching hospitals are available too. The successful candidate will therefore engage in teaching undergraduate preclinical and clinical medical students. The appointee will also be involved in organizing clinical examinations in Internal Medicine for MBBS and postgraduate certification ((Arab/ Emirati Board). There will also be an opportunity to participate in the clinical service that covers acute Medicine and ambulatory outpatient service at one of the affiliated teaching hospitals, and to contribute to research within the CMHS and in collaboration with clinical colleagues in the affiliated teaching hospitals.

### **Minimum Qualification**

Candidates for this position must 1. Hold an MD or MBBS degree 2. Demonstrate evidence of advanced clinical and research training 3. Have Board certification (or equivalent), in Internal Medicine from accredited programs in North America, Australia, Europe or South Africa 4. Be eligible to get a consultant license according to the current regulation of the Department of Health, [www.DOH.gov.ae](http://www.DOH.gov.ae).

### **Preferred Qualification**

As above

### **Expected Skills**

1. Undergraduate and postgraduate teaching experience in university medical centres, medical colleges, affiliated teaching hospitals a. Applicants should also have a track record in teaching at the undergraduate and graduate level including designing curricula, overseeing courses and supervising student projects. b. The successful candidate will contribute to programs of undergraduate and graduate teaching, including the Junior and senior Internal Medicine Clerkships as well as providing patient care service at the affiliated teaching hospitals. c. Familiarity with USMLE, Canadian Qualifying Examinations or equivalents, and the operation/accreditation of graduate medical programs and certification/fellowship in North America, Australia, Europe or the Arab Board is desirable. 2. Strong record of publishing biomedical clinical research articles
