- Capable of overseeing undergraduate and graduate medical education in internal medicine
- Committed to quality and compassionate patient care
- Able to oversee the growth of quality, patient outcomes, and clinical research
- Board Certified in Internal Medicine
- MD degree

The incoming Division Chief will lead and further develop the clinical operations and scholarship within the division of 121-physician faculty and 26 APPs who work in both practice plan and hospital outpatient clinics. The division includes a Section of Hospitalist Medicine with a recently appointed Director that has 17 faculty and 3 APPs.

The goals of the Division of General Internal Medicine include:

- Providing a patient-centered environment
- Being the leading teachers in patient care and quality improvement
- Cultivating an environment that nurtures and rewards lifelong learning
- Collaborating with colleagues and the healthcare system to attain the best outcomes for patients.
