Participation in clinical and/or translational research is encouraged.

**Required:**

- MD or equivalent degree
- BE/BC in ID and Internal Medicine
- Eligible for medical licensure in the State of New York
- Current and unrestricted DEA Certificate
- Applicants must be currently authorized to work in the United States on a full-time basis.

This is an opportunity to join an organization focused on the future of medicine-one whose physicians and advanced practitioners partner with their patients to ensure a higher state of care and better outcomes. At UB Department of Medicine, you will experience a deeper sense of compassion, greater breadth of diversity, and a never-ending desire to raise the standard of medical excellence, regionally and nationally.

**Outstanding Benefits Package**

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. Visit our benefits website to learn about our [benefit packages](#).

**About The University at Buffalo**

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day.
